Certified Quality Professional (CQP)

Become a **Certified Quality Professional (CQP)** through our comprehensive program designed to enhance your expertise in quality management and equip you with the skills needed to excel in today's competitive professional landscape.

Why Choose CQP?

1. **Quality Culture Advancement:** Empower yourself to promote a quality-driven culture within society through education and training.
2. **Enhanced Expertise:** Elevate your understanding and mastery of quality management principles, skills, and attitudes.
3. **Market Success:** Attain quicker market access by providing top-notch quality products and services.
4. **Talent Nurturing:** Cultivate your innate talents in the field of quality management.

Your Path to Becoming a Certified Quality Professional

Are you ready to join the ranks of esteemed quality professionals? Our Certified Quality Professional (CQP) program is designed to equip you with the skills and expertise needed to excel in both the public and private sectors. The program is structured into three progressive levels: Foundation, Intermediate, and Advanced.

Foundation Level

- CQP 101:** Quality management systems
CQP 102: Communication and customer relations
CQP 103: Documentation and records management for quality
CQP 104: Introduction to standardization
CQP 105: Quality planning, risks and opportunities management
CQP 106: Quantitative skills and data analytics

Intermediate Level

- CQP 201:** Management principles, leadership and ethics
CQP 202: Quality control, assurance & performance management
CQP 203: Management systems audits
CQP 204: Innovation & knowledge management
CQP 205: Project management
CQP 206: Research methodology

Advanced Level

- CQP 301:** Strategy and governance
CQP 302: Quality Infrastructure, and Legal Framework
CQP 303: Enterprise Risk Management
CQP 304: Quality improvement & excellence models
CQP 305: Research project / Workshop Case Presentation

Entry Requirements

Start your journey with us!

You will need a mean grade of C+ and above in the Kenya Certificate of Secondary Education (KCSE) and above, or a Diploma in Quality Management from a recognized institution.

Mode of Study

Our courses are available through tuition-based learning or self-paced learning, allowing you to choose what suits you best.

Tuition-based learning at an accreditation institution is recommended for interactive learning experiences.

Registration and Examination Booking

- ✓ Registration and examination booking is essential and must be completed according to specified deadlines. Intake is ongoing!
- ✓ Renew registration annually to maintain active status.
- ✓ Receive free syllabuses upon registration through the student portal.
- ✓ The first examination sitting is scheduled for December 2023.

Examination sittings will be in April, August and December.
